"We are indeed much more than what we eat, but what we eat can nevertheless help us to be much more than what we are."
Adele Davis

Mac's has been a staple of Saline dining for more than 13 years. Our cuisine has been described as "comfortable", "consistently good", and "appropriate for the whole family". However, now and then, everyone has a desire to try something a little more stylish, inviting, and potentially, risk-taking.

Welcome to the Mac's Connoisseur Club. The Connoisseur Club has been designed to provide an atmosphere of refined dining in an informal social atmosphere, available at a affordable price. The Connoisseur Club will allow you to enjoy bimonthly chef-prepared dinners, paired wines and specialty desserts while socializing for that special night out.

The Connoisseur Club is a private, members only dining club. Membership will enjoy a private upscale dining experience every other month. Menus for the bimonthly dinners will be published approximately two weeks prior to the date, with the dinner served in Mac's private dining rooms.

The Connoisseur Club will provide an atmosphere for great socializing and new experiences. We hope to have guest speakers for our chosen wines with specialty prepared entrees from international cuisines. We also want to maintain flexibility for our members. If you are unable to attend a dinner, you may trade off with a member of the other group or invite another couple to take your place. Suggestions on new dinner menus will always be graciously received and encouraged.

"It is well to remember that there are five reasons for drinking wine: the arrival of a friend; one's present or future thirst; the excellence of the wine; or any other reason."
Latin Saying

The Connoisseur Club will maintain a registry of its members that includes contact information, other member(s) requested to be paired with in the dining group, and other pertinent information. The dates for the bimonthly dining will be published approximately three months in advance. Dinners will be on a weekday, and will begin at 6:30 p.m.

The cost of the Connoisseur Club includes an annual fee plus an additional fee per person for each dinner attended. This fee is all-inclusive of the wines, dinner, and desserts being served that evening, including the tax and gratuity. In addition, members will receive a 5% discount for their "every-day" dining with Mac's (food only, not combinable with other discounts)

To join the Connoisseur Club, please contact Bob Rash or Wally MacNeil, co-owners of Mac's and they will assist you with all of the necessary details to become a member. Mac's is confident that you and your friends will enjoy your membership with the Connoisseur Club and we look forward to offering this new experience.
