

Mac's Connoisseur Club 2011 Membership

The 2011 Membership for the Connoisseur Club at Mac's will be as follows :

1) The upfront annual cost will be \$120 per person or \$180 per couple. Members from 2010 will be charged a fee of \$105 per person or \$160 per couple. Full membership guarantees a minimum of six (6) dinner dates for the calendar year. 2010 members must renew by the first dinner in order to receive the discount for the 2011 fees.

2) Individuals or couples joining after the first dining evening of the year will be charged the base amount minus \$15 per person or \$30 per couple per meal missed.

3) There will be a charge of \$20 per person charged for each meal attended.

4) Individuals or couples may "replace" their attendance with other individuals at no charge other than the evening charge for the dinner.

5) Members may bring a guest(s) for the evening at a charge of \$50 per person.

6) All fees cover the entire evening service, including meals, beverages, tax, and gratuity. Additional gratuity to the evening servers is at the sole discretion of the members.

7) It is suggested that Mac's retain a "credit card on file" for each member(s) in order to facilitate the fees from the members, however, this is not required. Members paying cash for the evening charges are asked to complete the payment that evening.
